

We the undersigned, strongly urge TKR to keep WZBN on as it presently is. We all agree that WZBN is much more than a news program. WZBN provides local news, community notices, and items that affect our daily lives. WZBN provides coverage of local sports, area events and really gives a personal touch to events that touch us all. Mercer's Most Wanted has had a great success rate and is a much needed program. Just the number of fugitives that have been apprehended shows how valuable this show is (74). The "Mercer County Update" helps us plan our weekends it also makes us aware of local groups in our own backyards. Local advertisers get a chance to speak to area residents and possibly turn them into customers. Local sports teams get a chance to shine and community groups sometimes get much needed attention. We don't see enough coverage of local news, WZBN is all we have.

WE WANT OUR WZBN!!!!!!!!!!!!!!

Dear Mr. Belick:

We do not want WZBN removed from the TKR Cable Network. I want WZBN to remain just as it is, a 24 hour a day cable channel.

Thank you.

CAMP OLDEN

CIVIL WAR ROUND TABLE

Valiant Spirits Still Linger

September 5, 1996

To The Management of TKR-Hamilton,

We the members of Camp Olden Civil War Round Table wish to express our concern at the possible loss of WZBN, Channel 25, from their current status.

WZBN, with the Mercer County Update, has been, since its inception, a truly community oriented station in their coverage of local news, sports at all levels and special events throughout the area. With their weekly special segments such as "Mercer's Most Wanted", "Moment in Time", and others, they consistently express their commitment to our community's safety concerns and our local historical heritage. To lose such a valued partner in our community would be a shame.

We would like to add our voices to the many others expressing these concerns and hope that TKR-Hamilton will see fit to maintain WZBN as it is now available, so the Mercer County community at large may continue to be informed and entertained about important local matters.

Thank you.
